ABOUT US

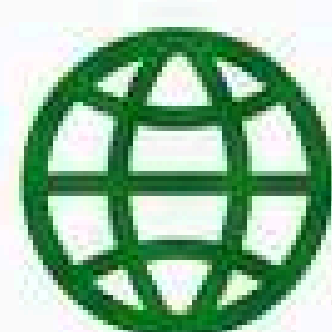

Vezora International is a leading engineering solutions provider delivering smarter, reliable and customized Food Processing and Packaging Systems.

With a strong focus on innovation, quality and customer satisfaction, we help food industries improve productivity, ensure food safety and grow sustainably.

OUR MISSION

To deliver innovative and reliable solutions that add value to our customer's business.

OUR VISION

To be a globally trusted partner in food processing and packaging industry.

OUR VALUES

Quality, Integrity, Innovation and Commitment.

FOOD PROCESSING SOLUTIONS

Advanced Technology.
Superior Quality.
Maximum Efficiency.

OUR EFFICIENCY

Optimized systems for maximum output and minimal downtime.

FOOD SAFETY

Ensuring hygiene, safety and compliance at every step.

SUSTAINABLE PROCESSING

Energy-efficient solutions for a greener tomorrow.

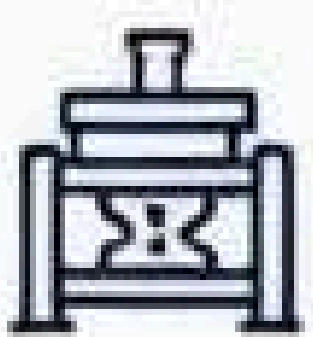

SUPERIOR QUALITY

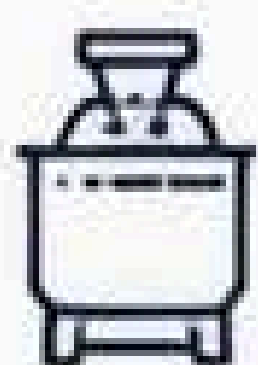

Consistent quality and advanced technology for best results.

Solutions

COMPLETE FOOD PROCESSING LINES

End-to-end food processing solutions engineered for performance, hygiene and maximum efficiency.

MAIZE MILLING LINE

High-capacity milling systems for clean, consistent and efficient maize processing.

RICE MILLING LINE

Advanced rice milling solutions for higher yield, better quality and lower breakage.

CASSAVA PROCESSING LINE

Complete cassava processing from washing to drying with maximum starch recovery.

SOYA PROCESSING LINE

Efficient processing systems for soya cleaning, dehulling, extraction and meal handling.

SPICE PROCESSING LINE

Grinding, blending and packing solutions that retain aroma, color and purity.

EDIBLE OIL PROCESSING LINE

Refining and bottling systems for pure, safe and high-quality edible oils.

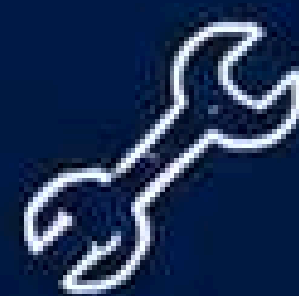

CUSTOMIZED SOLUTIONS

Tailored systems to match your product and capacity needs.

ADVANCED TECHNOLOGY

Latest automation and energy-efficient designs.

SMART MAINTENANCE

Easy operation, remote monitoring and low downtime.

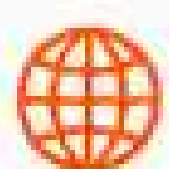

RELIABLE PERFORMANCE

Built for continuous operation and long service life.

AFTER SALES SUPPORT

Global support network with quick service and spare availability.

QUALITY. SAFETY. RELIABILITY. AT EVERY STEP.

VEZORA
INTERNATIONAL PVT. LTD.

Our integrated systems and processes ensure consistent quality, operational safety and maximum reliability in every solution we deliver.

QUALITY CONTROL

Advanced testing & inspection equipment for consistent and superior quality.

AUTOMATION CONTROL

Smart automation for precision, accuracy and optimal efficiency.

HYGIENE DESIGN

Food-grade materials and hygienic construction for safe and contamination-free production.

AFTER SALES SUPPORT

Dedicated technical team ensuring smooth operations and quick issue resolution.

RELIABLE PERFORMANCE

Engineered for long life, minimal downtime and maximum productivity.

**WE ENSURE YOUR PRODUCT IS SAFE,
CONSISTENT & COMPETITIVE.**

CONSISTENT QUALITY

Delivers uniformity in every batch for better customer satisfaction.

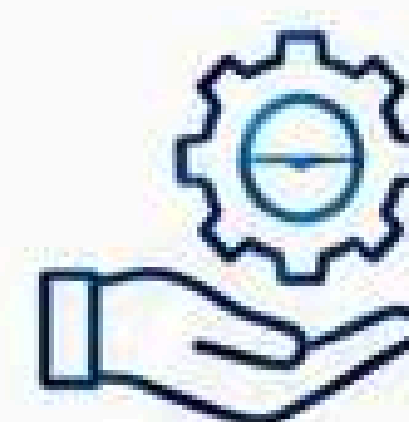

OPERATIONAL SAFETY

Built with advanced safety features to protect people, process and environment.

MAXIMUM RELIABILITY

Robust systems engineered for continuous performance and less downtime.

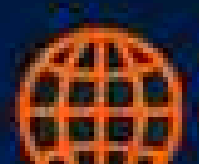

EFFICIENCY DRIVEN

Optimized solutions that reduce waste, energy consumption and operating costs.

GLOBAL STANDARDS

Designed and manufactured to meet international quality standards.

TURNKEY SOLUTIONS BUILT AROUND YOU

EZORA
INTERNATIONAL PVT. LTD.

From concept to commissioning – we deliver complete turnkey projects tailored to your needs.

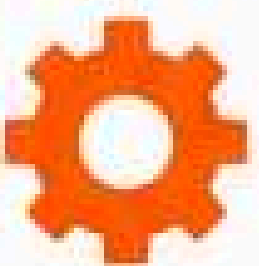

CONSULTATION

Understanding your requirements to create the right solution.

DESIGN & ENGINEERING

Advanced engineering and 3D modeling for optimal performance.

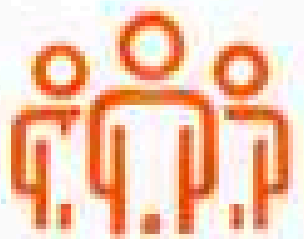

MANUFACTURING

State-of-the-art manufacturing with strict quality control.

INSTALLATION & COMMISSIONING

Expert installation and smooth commissioning for hassle-free start-up.

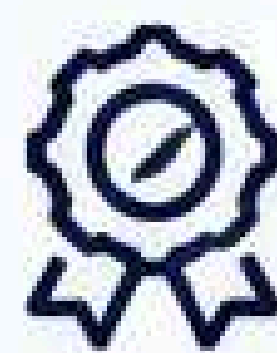

TRAINING & SUPPORT

Operator training and lifelong after-sales support.

PACKAGING SOLUTIONS

Smart Packaging for a Smarter Future.

We provide advanced packaging equipment and solutions that ensure accuracy, speed, hygiene and long shelf life for your products.

PRECISE & ACCURATE

High precision in weighing, filling and sealing.

COST EFFECTIVE

Solutions for powder, granule, liquid, snacks & more.

HIGH SPEED & EFFICIENCY

Increased productivity and reduced operational cost.

EASY TO OPERATE

User friendly HMI with smart controls and low maintenance.

IDEAL FOR PACKAGING

- ✓ Grains & Pulses
- ✓ Spices & Masala
- ✓ Flour & Sugar
- ✓ Powders
- ✓ Snacks & Namkeen
- ✓ Liquid & Paste

HIGH SPEED

Up to 120 Packs/Min

ACCURACY

±0.5% Precision

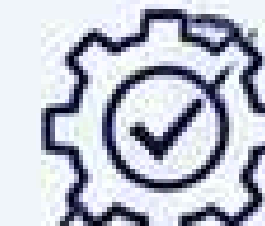

LOW MAINTENANCE

Maximum Uptime

SOLUTIONS

OUR PACKAGING SOLUTIONS

Complete range of intelligent packaging machines for every industry.

VEZORA
INTERNATIONAL PVT. LTD.

WEIGHING, FILLING, SEALING & LABELING

High precision, high speed
and reliable performance.

AUTOMATIC POUCH PACKING

Ideal for grains, powders,
spices, tea, coffee & more.

HIGH-SPEED BOTTLING LINES

Advanced bottling solutions
for liquid products.

CARTONING MACHINE

Automatic cartoning for
various product sizes.

CASE PACKING SOLUTION

Robust case packing solutions
for safe and efficient packing.

LINE INTEGRATION & AUTOMATION

End-to-end automation for
seamless production flow.

ROBUST CONSTRUCTION

Built for durability
and long life.

USER FRIENDLY OPERATION

Easy to operate
and maintain.

LOW MAINTENANCE & HIGH OUTPUT

Maximum productivity
with minimal downtime.

GLOBAL SERVICE SUPPORT

Reliable after-sales
support worldwide.

QUALITY ASSURED

International quality
standards.
