ABOUT VEZORA INTERNATIONAL

Vezora International delivers high-quality mechanical spare parts and industrial components designed for reliability, efficiency, and long-term industrial performance.

We support industries with OEM and aftermarket solutions including hydraulic systems, transmission components, bearings, couplings, conveyor systems, maintenance consumables, and customized industrial spare solutions.

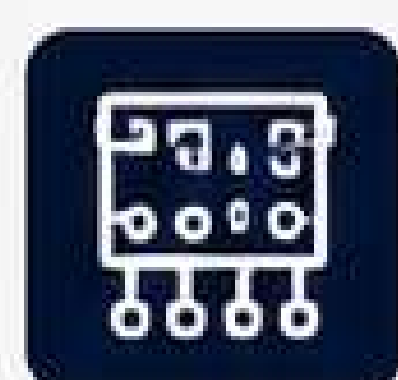

WHY INDUSTRIES TRUST US

-  Reliable Quality
-  OEM Standards
-  Fast Delivery
-  Export Ready
-  Technical Support
-  Competitive Pricing
-  African Market Expertise
-  Long Service Life

PLC • HMI • SCADA AUTOMATION

PLC AUTOMATION SYSTEMS

Reliable control with leading PLC brands.

- Siemens
- Mitsubishi
- Delta
- Allen Bradley

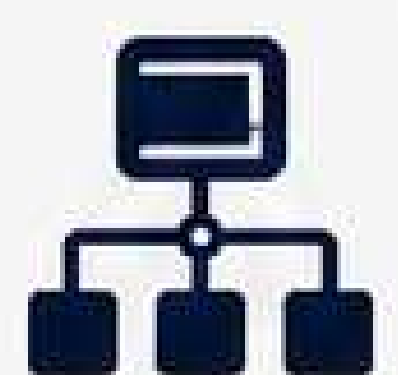

HMI SYSTEMS

Intuitive operator interfaces for real-time monitoring and control.

SCADA SOLUTIONS

Real-time plant monitoring, remote access, data logging and analytics.

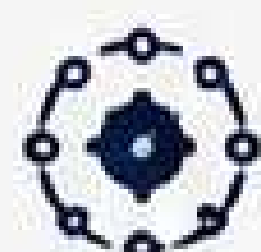

DCS SYSTEMS

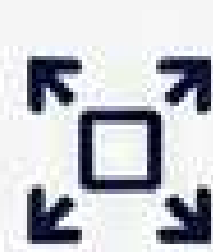

Distributed control for process optimization and seamless plant communication.

SOLUTIONS THAT DRIVE GROWTH.

MATERIAL HANDLING SOLUTIONS

CONVEYOR ROLLERS

- Steel rollers
- Return rollers
- Impact rollers

CONVEYOR BELTS

- High strength
- Wear resistant
- Multiple grades

GEARBOXES

- Helical
- Worm
- Planetary

COUPLINGS

- Flexible
- Gear
- Taper Lock

CHAIN DRIVES

- Roller chains
- Sprockets
- Chain kits

INDUSTRIAL WHEELS & CASTORS

- Heavy duty
- High load capacity
- Long lasting
